Discflo Files Patent Suit Against Adaptek

March 15, 2011

NEWS RELEASE

On March 9, 2011, Discflo Corporation filed a suit for patent infringement against American Process Equipment, Inc. dba Adaptek dba Adaptek Pumps, an Illinois corporation ("APEI"), and Robert T. Warrender dba Adaptek dba Adaptek Pumps ("Warrender"). The lawsuit, filed in the United States District Court for the Southern District of California, alleges that APEI and Warrender manufacture, offer for sale and sell pump products in the United States under the name "Adaptek" which infringe on one or more claims of Discflo's U.S. Patent No. 7,097,416 entitled "Rotary Disc Pump." Discflo seeks monetary damages arising from infringing sales as well as injunctive relief.

Discflo has retained Buether Joe & Carpenter, LLC, an intellectual property and commercial litigation boutique law firm in Dallas, TX, to prosecute this patent infringement action.
